PATENT PRINTED MATERIALS

Two errors that have recently come to my attention require immediate disclosure and rectification:

1. On the Information Disclosure Statement that accompanied the original Application referenced above, I erroneously listed U.S. Patent No. 4,622,007 instead of the correct No. 4,662,007. The Publication Date of 05-05-1987 and the Patentee, Lipkin, were correct.
2. As a novice applicant, I did not realize that I should have provided the Examiner with actual copies of those documents cited in addition to simply cataloguing them. I now submit those documents for review and I apologize for any inconvenience caused by my oversight.

Respectfully submitted,

M Lou Marsh
